

BERRYBROOK

How to find us

We are easy to find in the quiet village of Exminster just outside the South East side of Exeter off the A379.

To drive here from the M5 exit the motorway at Junction 30 and take the A379 dual-carriageway signposted to EXETER which links up with the inner bypass. At the first roundabout on the inner bypass (Countess wear) with a Shell petrol station on your right, take the second exit and proceed along the bypass driving over a swing bridge. At the second roundabout take the first exit signed for Dawlish, Exminster Kenton and Starcross. Shortly after take the right turn into Exminster and drive through the village, we are on the right hand side just after the shops.
